2015 CABERNET SAUVIGNON NAPA VALLEY

This beautiful Cabernet is integrated, soft, and explosive in the mouth with aromas and flavors of licorice, cassis, ripe cherry and lovely barrel toast. It has soft tannins on a long, supple finish. I outdid myself! A splendid example of a quintessential Napa Valley Cab!

Share this fruit-forward Napa Valley Cabernet at your next dinner accompanied by a hearty steak sizzling off the grill. A definite crowd pleaser!

Grown in the Napa Valley in Calistoga, California, this wine comes from several different clonal trials.
