FINE WINES

2017 ROSÉ CALIFORNIA

Candied aromas of watermelon, kiwi, cherry cola and strawberry combined with tangy and tart sweet flavors comprise this lovely fuscia-colored wine sourced from prestigious vineyards throughout California.

My 2017 Rosé is a great food wine. It is a warm weather favorite but it also is delicious any time of year.

ABOUT THE 2017 VINTAGE IN CALIFORNIA:

The 2017 growing season was a wet one with record rains throughout California ending a five-year drought. Late summer brought a heat spell. Due to the warm weather, harvest schedules were sped up and ripeness was accelerated. Flavors across the board were good. This vintage promises to be of excellent quality.
